

What's New?

Progress report Week 51

On Wednesday Santa made another appearance for the Children of Barley Croft Primary school.

George steams his loco ready to visit Santa

Wheels for the broken riding truck are pressed onto the axles.

A slight measuring problem (oops) requires one of the wheels to be pressed back off.

An engraving machine donated to the club failed its PAT test, Rob sets about locating the fault.

Perished wires and a lack of motor brushes seem to be the cause
