

# What's New?

## Progress report Weeks 25-35

Summer has arrived and things are growing well  
Paul stakes down a tree to keep it growing true

Flowers at Harry's halt

The station flower beds looking good.

The start of a new year and renewal of boiler tickets get under way.

Chris works on the new bogies for the clubs new stock

Thanks to Paul and David the new frames arrive for the new club stock

So where will this new stock live? A hole is dug to receive the new stock shed

In the process a well is found. It looks quite small from above but it is 8 foot wide and 15 foot deep beneath that little cap!

The new stock shed arrives. To be buried later on

Plack to commemorate the opening of the extension and Harry's Halt

The new compost bin is constructed

Visiting engines on the ground track

Members running on the raised track
